'Taking PRIDE in all we do'

Term One

Dear Parents and Carers,

An absolutely huge welcome to the Hillcrest community, and in particular to Reception! The children have already got off to a flying start and we are so excited for the year ahead. Don't forget to activate your Tapestry account and let us know if you have any problems accessing Arbor.

All the Reception information and key dates for the term can be found here:

or here:

But, for now, to get your child excited for the term ahead, here are four pictures related to our learning over the next few weeks which you can talk about with your child at home.

The Reception Team

We will be thinking about 'What makes me Unique?'. As part of this, we will be discussing all the amazing things that are the same, and things that are different to our friends.

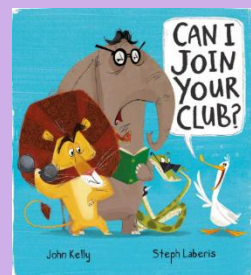

We will be getting to know everything there is to know about the school – meeting our other classmates, learning the routines, and how to get around school!

A TASTE OF TERM ONE

We will be learning about the 'zones of regulation' and how different emotions can feel in our body.

We will be thinking about different ways to be kind friends to each other.
