

Dear Parents and Carers,

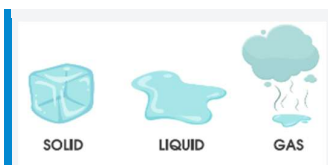

We hope you had a wonderful summer filled with fun, laughter, and exciting adventures. Whatever you got up to, we are delighted to welcome you to Year 4!

As you know, our new website is currently under construction. Soon we will have a Year 4 page which will be your one-stop shop for information about **Myles-Jay Linton** and **Ellis Genge** — from key dates, timetables and curriculum information to snapshots of everything we get up to. Until then, please keep an eye on the **weekly mailbag** for all the up-to-date information you need.

For now, to whet your child's appetite for the term ahead, here are four pictures linked to our learning over the next few weeks — why not talk about them together at home?

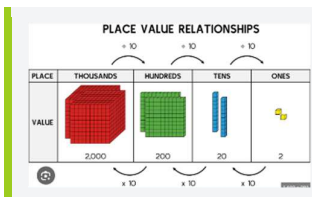

The Year 4 Team

☀️ A TASTE OF TERM ONE ☀️

As Scientists

We will be Scientists all term with 3 mini Enquiry topics exploring the different States of matter, Electrical circuits and How Sound is made.

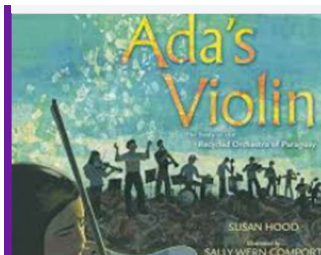

As Mathematicians

We start the term looking at Number and Place Value before then moving on to exploring addition and subtraction strategies.

As Authors

We will learn about spelling, punctuation and grammar using the Grammarsaurus programme.

Our No Outsiders book

This term our book will be Ada's Violin — a true story about community coming together.
